### **5.0 Required Documentation for Renewal of Certification**

To maintain Certification, a reapplication is required. After your initial 2-year Certification, you have the option to renew for 2 years. The steps to re-apply for a 2-year reapplication are as follows:

1. Submit, via email, a copy of your professional licensure as well as a completion certificate for twelve (12) clock hours of post-graduate level, grief-focused training to [info@evergreencertifications.com](mailto:info@evergreencertifications.com)
2. Payment of re-certification application fee.

Re-certification training hours need to have been taken in the time since you were last certified or recertified. Renewals are calculated from the date that your Certification was issued. If you allow your Certification to lapse for more than 3 years, you are no longer eligible to renew your Certification and instead can reapply for Certification.
