2.2 Suitable education sources are approved continuing education or professional development training as documented by certificates of completion from the accredited training organization.

Evergreen Certifications will accept courses that have been completed within 3 years of initial application for Certification.

3.0 Clinical Experience Attestation

The applicant must attest that over the course of their career, they have conducted a minimum of 100 hours of therapeutic contact with an individual with personality disorder traits and/or diagnosis.

4.0 Required Documentation for Certification Eligibility

1. A copy of the candidate's professional registration, credential or membership
2. Copies of completion of training as outlined in the Educational Standards
3. A signed and completed application form with attestation that the candidate has met all the requirements detailed herein
4. Payment of certification application fee

Evergreen Certifications will certify candidates who meet the above requirements.

Please note: Certification does not imply endorsement of clinical competency. As a professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession's standards.

5.0 Required Documentation for Renewal of Certification

To maintain Certification, a reapplication is required. The steps to apply for a 1-year reapplication are as follows:

1. Submit, via email, to info@evergreencertifications.com
 - a. A copy of your candidate's professional registration, credential or membership
 - b. Completion certificate for six (6) CPD hours of personality disorder-focused training
2. Payment of re-certification application fee

You can also apply for reapplication for 2 or 3 years. Follow the process above, submitting twelve (12) CPD hours of training for a 2-year reapplication, and eighteen (18) CPD hours of training for a 3-year application.

Re-certification training hours need to have been taken in the time since you were last certified or recertified. Renewals are calculated from the date that your Certification was issued.

If you allow your Certification to lapse for more than 3 years, you are no longer eligible to renew your Certification and instead can reapply for Certification.
