4.0 Required Documentation for Renewal of Certification

To maintain Certification, a renewal is required. The steps to apply for a 1-year renewal are as follows:

1. Submit, via email, a copy of your professional registration, credential or membership as well as a completion certificate for six (6) CPD hours of trauma-focused training to info@evergreencertifications.com
2. Payment of renewal application fee

You can also apply for renewal for 2 or 3 years. Follow the process above, submitting twelve (12) CPD hours of training for a 2-year renewal, and eighteen (18) CDP hours of training for a 3-year renewal.

Renewal training hours need to have been taken in the time since you were last certified or renewed. Renewals are calculated from the date that your Certification was issued.

If you allow your Certification to lapse for more than 3 years, you are no longer eligible to renew your Certification and instead can reapply for Certification.
