Canadian Applicants: Licensed professionals who have met the licensure requirements for Provincial and Territorial Regulatory Bodies are welcome to apply. If you are unsure whether your professional background meets the standards for Certification, please email us a copy of your educational background and CV to info@evergreencertifications.com

International Applicants: Please check for a link to standards specific to your country of practice. If no link is available, please email us a copy of your educational background and CV to info@evergreencertifications.com

1.2 By applying for Certification, the applicant agrees to adhere to Evergreen Certifications' Professional Code of Ethics, available at www.evergreencertifications.com/codeofethics

2.0 Educational Standards

2.1 The candidate must meet the following education criteria (total minimum of 15 clock hours of continuing education or professional development training):

Minimum of 3 clock hours of education specific to suicide assessment and evidence-based suicide prevention and intervention approaches. This education can be in the form of audio or video training, OR by reading the following books:

- *Suicide and Psychological Pain* by Jack Klott, MSSA, LCSW, CSWW (ISBN 9781936128167, available for purchase here: <https://publishing.pesi.com/store/detail/7215/suicide-and-psychological-pain>)

- *Treating Suicidal Clients & Self-Harm Behaviors: Assessments, Worksheets & Guides for Interventions and Long-Term Care* by Meagan N. Houston, PhD, SAP (ISBN 9781683730842, available for purchase here: <https://publishing.pesi.com/store/detail/22232/treating-suicidal-clients-self-harm-behaviors>)

Minimum of 12 clock hours of education specific to psychotherapy for mood disorders, as outlined below:

- The proposed neurobiological and etiological models of mood disorders (including the theory of the “bipolar spectrum”). A partial list of areas of knowledge would include stress and loss, circadian rhythms, glucocorticoid and hormonal system disruption, inflammation, genetic vulnerability, psychological conceptualizations, and sleep disorders.
- Knowledge and application of DSM-5™ diagnoses, differential diagnosis, and case formulation specific to: depression and its variations, bipolar disorder and its variations.
- Knowledge of common comorbidities including substance use disorders, anxiety disorders, trauma, and borderline personality disorder.
- Treatment
 - The role of medication with an emphasis on adherence, side effects and the patients’ experience
 - Psychotherapy including cognitive behavioral therapy (CBT) for depression including functional remediation for cognitive symptoms, chronotherapy, nutritional therapy, and (CBT-I) for insomnia.
 - Knowledge of “Third Wave” evidence-based treatment techniques for moods, behavioral activation, mindfulness, rumination-focused CBT, cognitive behavioral analysis system of psychotherapy, positive psychology; and bipolar-specific therapies including social rhythm therapy, family-focused therapy and psychoeducation

2.2 Suitable education sources are approved continuing education or professional development training as documented by certificates of completion from the accredited training organization.

Evergreen Certifications will accept courses that have been completed within 3 years of initial application for Certification.

3.0 Certification Client Work and Consultation Attestation

The candidate must attest that over the course of their career, he/she has conducted a minimum of 200 contact hours with depressive disorder diagnosed clients.

4.0 Required Documentation for Certification Eligibility

1. A copy of the candidate’s license or equivalent
2. Copies of completion of training as outline in the Educational Standards
3. A signed application form with attestation that the candidate has met all the requirements as detailed herein
4. Payment of certification application fee

Evergreen Certifications will certify applicants who meet the above requirements.

Please note: Certification does not imply endorsement of clinical competency. As a licensed professional, you are responsible for reviewing the scope of practice, including activities that are defined in law as beyond the boundaries of practice in accordance with and in compliance with your profession’s standards.

5.0 Required Documentation for Renewal of Certification

To maintain Certification, a reapplication is required. The steps to re-apply for a 1-year reapplication are as follows:

1. Submit, via email, a copy of your professional licensure as well as a completion certificate for six (6) clock hours of continuing education or professional development training that focuses on the treat of depression and/or mood disorders to info@evergreencertifications.com

2. Payment of re-certification application fee

You can also apply for reapplication for 2 or 3 years. Follow the process above, submitting twelve (12) clock hours of training for a 2-year reapplication, and eighteen (18) clock hours of training for a 3-year application.

Re-certification training hours need to have been taken in the time since you were last certified or recertified. Renewals are calculated from the date that your Certification was issued.

If you allow your Certification to lapse for more than 3 years, you are no longer eligible to renew your Certification and instead can reapply for Certification.
